

NEW FOR 2010!

20' Roll-in Docks with Removable Cedar Decking

Aluminum Frame w/Cedar Decking
Cedar Frame w/Cedar Decking

These dock assemblies take only minutes to set up.

Each 20' assembly comes complete with:

- (2) 4' X 10' Frames either Aluminum or Cedar
- (4) 4' X 5' Removable Cedar Deck Sections
- (2) (SR) Heavy Duty Outside Corner Brackets
- (2) Special Heavy Duty Straight Brackets
- (1) Roll-in Dock Kit
- (2) (SR) Heavy Duty Footpads
- (2) (SR) 4' Long Superior Pipes
- (2) (SR) 6' Long Superior Pipes

All hardware required to assemble all sections are pre-drilled, just bolt them together and roll them out.
